

**Technion Israel Institute of Technology
Agilent Technologies and TSMC**

**Individual NDA for University Account Students and Staff
Statement Acknowledging Responsibility To Protect Proprietary
Material
Individual NDA for University Students and Staff**

(1) Electronic and hard-copy distribution of proprietary material on campus must be strictly controlled. Electronic paths to restricted documents, whether on local or networked computer file systems or on web servers, must be rigorously secure. The security mechanisms governing access to these electronic documents should be managed by the professional information technology staff of the school or department.

(2) EVERY university professor, student, or staff member who has access to proprietary documents from Agilent Technologies must sign the following agreement before they are granted document access.

(3) The user will use the ADS and RFDE tools for educational purposes only. The tools will be invoked only within the VLSI lab, Room 711 and 715 in the Mayer Building in the Technion. The user will not attempt to invoke the tools from outside this site.

(4) The user will not print or export from the VLSI lab (electronically or otherwise) information and documentation to which he/she has been granted access.

STATEMENT ACKNOWLEDGING RESPONSIBILITY TO PROTECT PROPRIETARY MATERIAL

My signature below acknowledges that I understand that proprietary material supplied through the VLSI lab at the Technion or any other means must be viewed only by myself and not shown to any other person. These documents may not be copied to or stored in any medium (paper or on a computer) that is not under strictly secure control at all times.
