Individual NDA for University Students and Staff

(1) Electronic and hard-copy distribution of proprietary material on campus must be strictly controlled. Electronic paths to restricted documents, whether on local or networked computer file systems or on web servers, must be rigorously secure. The security mechanisms governing access to these electronic documents should be managed by the professional information technology staff of the school or department.

(2) EVERY university professor, student, or staff member who has access to proprietary documents from Global Foundaries vendors must sign the following agreement before they are granted document access.

STATEMENT ACKNOWLEDGING RESPONSIBILITY TO PROTECT PROPRIETARY MATERIAL
My signature below acknowledges that I understand that proprietary material supplied through the VLSI lab at the Technion or any other means must be viewed only by myself and not shown to any other person. These documents may not be copied to or stored in any medium paper or on a computer.
