Statement Acknowledging Responsibility To Protect Proprietary
Material**

Individual NDA for University Students and Staff

(1) Electronic and hard-copy distribution of proprietary material on campus must be strictly controlled. Electronic paths to restricted documents, whether on local or networked computer file systems or on web servers, must be rigorously secure. The security mechanisms governing access to these electronic documents should be managed by the professional information technology staff of the school or department.

(2) EVERY university professor, student, or staff member who has access to proprietary documents from Keysight Technologies must sign the following agreement before they are granted document access.

(3) The user will use the ADS and RFDE tools for educational/research purposes only.

(4) The user will not print or export from the VLSI lab (electronically or otherwise) information and documentation to which he/she has been granted access.

STATEMENT ACKNOWLEDGING RESPONSIBILITY TO PROTECT PROPRIETARY MATERIAL

My signature below acknowledges that I understand that proprietary material supplied through the VLSI lab at the Technion or any other means must be viewed only by myself and not shown to any other person. My signature below acknowledges also that I understand that all these documents, circuits, layout, code and data I have access to or have implemented is confidential and that it is forbidden to export them by any means (softcopy or hardcopy) outside of the VLSI lab.
